Would you like to . . .

- Better understand some reasons why you seem stuck in your situation?
- Develop a better life plan?
- Meet in weekly workshops with others who want to learn too?
- Enjoy fellowship and a free meal before the workshops?
- Have free childcare while you enjoy two and a half hours of adult conversation?
- Receive a monetary stipend upon completion of the Getting Ahead Program?

With the Getting Ahead in a Just-Gettin'-By World workbook . . .

- You will examine your own life situation as well as explore community issues that impact poverty such as banking, housing, jobs, transportation.
- Assess your own resources to achieve greater self-sufficiency.
- Gain concepts, tools and relationships to make a difference in your life and the life of the community.

Please cut this panel off

The Getting Ahead Program was developed by
Phil DeVol, who also authored
Bridges out of Poverty with Ruby Payne.

It is being used successfully in over
400 communities across the USA
and in six countries around the world.
